Weight	16.1 grams / 0.56 ounces without battery.
Mount	The SHIELD Footprint - 100+ Mounting solutions.
Water immersion	IP67

RMSsc

RMSsc - Reflex Mini Sight Sub Compact

The RMSsc follows the SHIELD ethos of fit, form and function offering EDC and CCW users new levels of comfort and concealability whilst retaining all the core SHIELD product features.

Designed from the ground up with size and concealability in mind, the new body promotes minimal drag and print signature. Ease of use allows the user maximum situational response time and removal of controls decrease potential failure points.

All whilst retaining our standard SHIELD footprint in one of the best looking products on the market.
